Local Unit Executive Meeting

Officers and all Unit Reps meet the 3rd Monday of
every month from 6-8pm
NEXT MEETING: March 15, 2010

IT'S SURVEY TIME!!! WE NEED TO HEAR FROM YOU!!!

Just 3 minutes of your time could result in
complimentary coffee and doughnuts for your unit! In
order to most efficiently meet your needs, we need to
hear from you. Please take a few minutes to answer a
very brief survey. On March 31st, the 3 units with the
largest percentage of nurse participation will receive
this reward.

The survey is online at www.wsna.org. Off the main
page, find the "Labor Relations" tab on top, then find
"Local Units." There you will find the Southwest
Washington Medical Center webpage where the
survey will be located.

WSNA: Together our voices are stronger. Are you a
member? We are nurses representing nurses. The more
united we are, the stronger our facility will be.

Join WSNA today! Applications are available online
at www.wsna.org.

LABORWORKS CLOCKINGS

The Human Resource Department recently generated
an e-mail regarding 'recording of time' worked.
Management has been instructed to look closely at our
clocking practices, so make sure to read and
understand the memo. There may be disciplinary
action for not following the policy. Management will
also be looking at where you clock in. It is important
to remember to clock in to the Labor Works
NEAREST your work station. For more information,
please check the policy 'Recording and Payment of
Hours Worked' [#8650.C002].
